International Semester

International Semester

FDC offers complete academic structure, cutting-edge infrastructure, housing and student-life solutions for international schools that wish to operate in partnership on FDC's campuses in Brazil – in the cities of Belo Horizonte (MG), Nova Lima (MG) and São Paulo (SP).

COLLABORATION

We develop teamwork competencies while experiencing different cultural and linguistic abilities.

PROFESSIONAL OPPORTUNITIES

We contribute to a global career ambition, broadening the view about different businesses, based on valuable connections with international professors, market executives and entrepreneurs.

INTER AND MULTICULTURAL LEARNING

In addition to connections with other international students, the experience allows cultural abilities which open new horizons and perspectives.

ACADEMIC CALENDAR

Spring Semester: February to June

Fall Semester: September to November

International Semester

Our Campuses

Aloysio Faria Campus (Minas Gerais)

FDC has 03 Campuses in Brazil: two in the state of Minas Gerais and one in the state of São Paulo.

Belo Horizonte (Minas Gerais)

Vila Olímpia (São Paulo)

International Semester

The Program - Course List

Brazilian Identity and Portuguese Language

This course objective is to provide students with Portuguese survival linguistic skills, enabling them to succeed in interacting with Brazilians and better understand the Brazilian cultural scene. The language teaching is carried out on a communicative approach, so that Portuguese vocabulary and grammar is practiced on everyday activities. The course also addresses the main aspects of Brazilian culture leading students to develop their intercultural skills.

Doing Business in Emerging Markets: Challenges and Opportunities

This course explores the intricate relationship between economics, geopolitics, and the challenging economic landscape in emerging markets. Students will gain insights into the challenges and opportunities of doing business in emerging markets, with a focus on Brazil. Through a multidisciplinary approach, the course will cover economic theories, geopolitical considerations and practical strategies for navigating the Brazilian business landscape.

International Semester

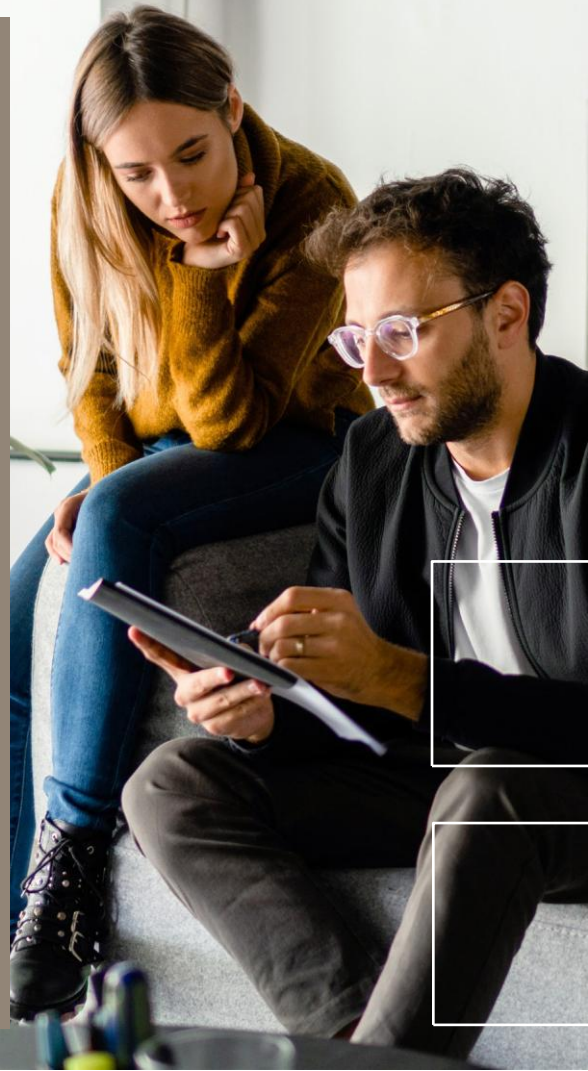

The Program - Course List

Innovation and Entrepreneurship for Social Change

This course provides a comprehensive exploration of strategic thinking, business model innovation and social entrepreneurship. Students will delve into the dynamic landscape of modern business, focusing on how innovation and social entrepreneurship can drive sustainable success and social change in Brazil.

Global Supply Chain and Logistics Management

The objective of the course is to enable students to understand the global context and how logistics management is fundamental to the success of businesses, affecting the performance of companies and countries. The course also addresses the peculiarities of logistics in Brazil, by delving into their specific challenges and opportunities of the Brazilian reality.

International Semester

The Program - Course List

Modern Marketing Strategies and Digital Trends

This course aims to equip students with a robust understanding of modern marketing principles, practices and dynamics. Students will have the opportunity to study robust marketing plans considering contemporary consumer behavior and the most modern tools to resonate with diverse audiences. The course also explores the opportunities and challenges of the digital marketing and the best tools available.

Conscious Capitalism

Offered alongside FDC's undergraduate program (Brazilian students).

The Conscious Capitalism program is designed to cultivate a new generation of business leaders who prioritize ethical practices and social responsibility. It will enable students to understand how to balance the interests of all stakeholders, develop conscious leadership skills, foster a mission-driven mindset, foster sustainable business models and measure the impact of adopting a conscious capitalism mindset.
